

Tons of Newsletter

Home to the Spring Session of the Raleigh Dart League for week #2, Wednesday, February 1, 2012 Issue #JK514
The "There Are Few Things Funnier Than A Fake-Injury-Flopper Getting Caught Flopping By The Referees" Edition

UPDATED PLAYER NUMBERS

In these first several weeks of the season, teams routinely add, delete, or replace players on their rosters. That means that the preseason rosters that were distributed are not necessarily fully accurate when you play a given team. To alleviate confusion, the player statistics page in each week's newsletter includes player numbers for every person in your division. So when you're filling out the back of your scoresheet each week, use the weekly statistics page for player numbers instead of the preseason list. (This week, see page 10.)

"E" DIVISION TEAM MOVES!! MAKE NOTE NOW

The E team Death Throw changed bars after the schedules were distributed. They're now at Rally Point 6&7 (1837 N. Harrison Ave.), a fact now reflected throughout this newsletter, including the schedules and contact info. on pages 8 and 9. Tell your team!!!

"C" DIVISION TEAM PHONE NUMBER CORRECTION

Team C8/ Frank - captain Jeff Gillespie's phone number should be 637-3748. This corrected version is included on the page 9 list.

A FEW MORE IMPORTANT REMINDERS

== Any throw in 501 or 1001 is never going to be a "High In".
High Ins are for 301 only, as only 301 has a double-in requirement.
== ASPs in 1001 do NOT count. But you may use an added game in the Total Games Played column on the back of the sheet to help indicate who participated in 1001, if you would like to do so.
== Losing teams are NOT required to call in match results. They are also not required to mail in their scoresheets, although I do recommend that they keep a copy in case the other team's is lost.

AND THE BIGGEST REMINDER...

As stated in the item immediately above, High Ins are only from 301 games. And please do not forget that "High Ins" only count on your first turn at the line in a game of 301. This means that a 160 to start scoring on your fifth turn is really quite impressive, but is NOT a High In. Please do NOT call in throws like that as "High Ins". It would be awful if an award went to the wrong person because you were ignorant of the rules. So don't be.

THE ONE NEW RULE THIS SEASON

If I (statistician) receive your fax and/or email of your scoresheet before 11:59 p.m. Thursday, then you are NOT required to call the results in to the VoiceMail (receiving my confirmation on Thurs. is no longer needed for removal of the call-in requirement). It is still highly recommended that you email me or at least watch for receipt confirmation from me, because if your fax or email failed, your call-in is then still required.

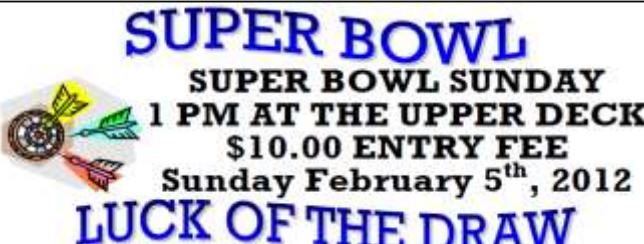

ANOTHER ITEM ABOUT SCORESHEET RETURNS

Answer to a common captain question: yes, emailed copies of scoresheet scans are an acceptable means of scoresheet return (especially if they're turned into pdfs!). We don't use a fax usage page, you don't have to pay for a fax call, and it allows many captains to do it as soon as they get home on Wed. night. Scan and email away, captains...

Please see additional items elsewhere in the Tons: pages 7/8 - schedules, page 6 - reminders, page 9 - contact info, etc.

RDL HEADLINES

"A" Division: Outlaws and Locals get 'welcomed' to A division by the Rednecks and Hu Flung; Appetite gets what might be their first win over Fringe by taking 4 of the 6 doubles games

"C" Division: Frank puts up strong first week effort after jump from H division; Niners sweep 501 to slide past the Reefers; Excalibur closes out Points and Pints in DCkt, then takes nap
"D" Division: Stones sweep Rif Raf in DCkt, but then Rif Raf sweeps back, taking the W; Choot 'Em! climbs all the way out of a 12-4 deficit vs. Machine!!!; Big Bulls ride DCkt sweep
"E" Division: A Dublout match that goes to the last dart? Who woulda thunk?; Double Tap overcomes early Crisis lead with 4 of 6 doubles; Force 8 & Menace each cruise to big wins
"F" Division: Salute recruits away a Triple Threat at the last minute, then wins in 1001; Oakie climbs from an early hole to escape the Posse; Hitters pound Brawlers early and often

SUPER BOWL
SUPER BOWL SUNDAY
1 PM AT THE UPPER DECK
\$10.00 ENTRY FEE
Sunday February 5th, 2012
LUCK OF THE DRAW

WEDNESDAY PLAYER ADDITIONS NOT ALLOWED

Don't forget that player additions are no longer allowed after Tuesday afternoon. If it's Tuesday dinner time and you haven't completed your player additions/replacements, you can pretty much consider it to be too late. Turns out, Board members have lives and matches of their own... who knew? Anyway, take care of your stuff earlier rather than later, and we'll all be happy.

SEASONAL REMINDER, RE: DROPPED DART

To head off the seemingly annual question: Fumbling a dart while changing hands or getting ready to throw a dart does not count as being thrown. No throwing motion = no dart thrown.

Name the band/singer? the song? This column has been a very big hit, so obviously it returns (also continuing with the 2 songs per week)...

Week 2, song #1 lyric: "Like a hurt, lost and blinded fool, fool, oh no, I've said too much"

Week 2, song #2 lyric: "And I found a dream that I could speak to, A dream that I can call my own"

"HOT DARTS" CALL-IN GUIDELINES

Here are the guidelines you should use for the minimum number of all-star points to report when calling in your scores.

"A" Div. = 4.5 or more ASPs; "B" Div. = 4.0 or more ASPs

"C", "D" Divisions = 3.5 or more ASPs

"E", "F", "G" Divisions = 3.0 or more ASPs

"H" Division = 2.5 or more ASPs

Also, call in any fast games, high ins, high outs, or other amazing feats that you think warrant a little recognition (e.g., Ins & Outs higher than a Ton, 24-dart cricket games, 15-dart 301s, 24-dart 501s, Ton-70s and up, 5-Bulls+, etc.).

Extra note: it's also ok to call in "fast games" in each set, even if they don't necessarily meet the maximum dart counts above.

SEASON-LONG TROPHY DART MINIMUM GAMES PLAYED REQUIREMENTS

To be eligible for all-star point ave. & singles win %-age awards, you must play at least 66% of this season's projected games:

for all Divisions except Division "A" (8 teams / division):

Singles win %-age: min. of 19 Singles Games Played

All-star pt. Average: min. of 37 Total Games Played

for Division "A" (7 teams / division):

Singles win %-age: min. of 16 Singles Games Played

All-star pt. Average: min. of 32 Total Games Played

PREDICTIONS FOR THE WEEK

As with most recent seasons, the amount of stuff that goes into the week 1 newsletter prevents me from having enough space to include both the season-long and the weekly picks. But I still do them both, and then report the week 1 results to you guys here, so that we have a full season of picks. I started with a relatively vanilla 22-9 week, so I'm hoping I'm in line for a bit of an improvement this week. No divisions fooled me more often than not (but both E and F were a weak 2-2). Because we only have one week of results, I generally focus only on week 2 matches that have either two 1-0 or two 0-1 teams. Due to the bye in A division, I'll add in the match involving the week 1 bye team (against a 1-0 team) as well...

Match of the week: (C Div.) Nine Lives @ Ale-ing Archers. Only 3 points separate the top four in C, and the winner here will be positioned well after 2 weeks to make the first run at being C's big dog. Niners, 13-11.

Match #2: (G Div.) Bel Biv Dethrow @ One Armed Bandits. The only other division with the top four separated by only 3 points can be fronted up by the winner here. The Bandits will need to bring six... OAB, 14-10.

Match #3: (D Div.) Rif Raf @ New Lords of Da Board. The New Lords have what appears to be a decently strong new lineup, but I'm just getting the feeling that D division is going to be Rif Raf-land... 15-9.

Match #4: (D Div.) Big Bulls @ Choot 'Em! With a pair of matches with two undefeated teams, D will certainly have only two teams at the top. These are both contenders, but I'm thinking Choot 'Em moves on, 13-11.

Match #5: (H Div.) Tips & Shafts @ Brown's Bombers. The Tips gave the newcomers a rude welcome last week, while the Bombers got a great win over Fullabull. I'm thinking the scales here tip toward the Tips, 14-10.

Match #6: (F Div.) Sharkshooters @ Salute-A-Bulls. I admit that both of these squads surprised me last week. And now one of them is going to move a very strong 2-0. I'm guessing... that it will be Salute? 13-11.

Match #7: (A Div.) Appetite for Destruction @ Required Elements.

Element is the only team that hasn't played yet. Maybe they'll be rusty? Maybe they'll be rested? Either way, I'm taking them, 16-8.

Match #8: (F Div.) The Dysfunction is Back @ Sofa Kings. If you read my pick for match #6, you know that I thought these two would be undefeated now, not winless. Dysfunction rights the ship, 14-10.

Match #9: (G Div.) Quackerjacks @ Bulls Ear Katknip. Oh man... is THIS the week the Ducks finally find enough players? So hard to predict shorthandedness... I'll guess they find some. Ducks, 13-11.

Match #10: (H Div.) Fullabull @ Oh'Hullys. Fullabull really put together a hot string half way through their first season in the fall. Oh'Hullys might do the same, but it's a ways off still. Full, 16-8.

Match #11: (D Div.) Sharky's Machine @ Flights Unknown. Oh, these teams were both so close to big wins last week. Instead, here they are at 0-1 each. Machine wins, but it will be pretty close, 14-10.

Match #12: (D Div.) Leftovers @ Throwin Stones. Two more with almost-good-starts last week. The Stones change paths here, 16-8.

Match #13: (C Div.) Frank @ Coral Reefers. Frank is going to do better than people expect, given their situation. Alas, Reefers, 16-8.

And the remaining 18 matches, sorted by division:

A Division: Rednecks 19, Locals 5; Hu Flung 20, OT Outlaws 4.

B Division: Triple Threats 14, Absolut Confusion 10; Constantly Corked 13, Jack 9 11; Mug Hunters 13, 2 Girls and a Couple of Guys 11; Is It In? 17, Traveling Beer Bellies 7.

C Division: Excalibur 14, D.O.A. 10; Freedom 14, Points & Pints 10.

E Division: Menace 2 Sobriety 14, Cuban Dart Crisis 10; Force 8 from the Planet XXX 16, Starving Dartists 8; Death Throw 14, Mayan Dartist 9; Dublin-Dublout 13, Double Tap 11.

F Division: BullsHitters 16, Posse 8; Brawlers 13, Carry Oakie 11.

G Division: Madness 13, Charlie 11; UZMAgain 15, Triplin 9.

H Division: Y'All Ain't 14, Flights 10; Gratefals 16, Con Dartists 8.

A BIG PAGE OF SEASONAL REMINDERS THAT YOU MIGHT WANT TO KEEP WITH YOU...

TIEBREAKER = MATCH WIN, NOT POINT

Don't forget that the tiebreaker game (1001) does not score a team point. Matches decided in 1001 should be recorded as 12-12 (or 11-11, or whatever your tie is), with one team winning & one losing.

TIE SCORE? INDICATE WINNER

Also don't forget that if your match goes to 1001 you need to indicate the winning team in some fashion (circle, "+" sign, etc.).

A COUPLE CAPTAIN REMINDERS

Captains, please do not forget that if you move and do not tell me, your Tons of Newsletter will continue to be mailed to your old address. Also, if you change your phone number, I can't reach you, and other captains (who might be forfeiting!) can't reach you. Keep me updated. Thanks.

CALL-IN PENALTY REMINDER

Don't forget: if you call in an incorrect score to the VoiceMail, you get the phone-in penalty. So, be careful when you have matches with 'blocker' players.

LOSING TEAM'S SCORESHEET RESPONSIBILITIES

Just a quick note to the new captains: you are NOT responsible for sending in the scoresheet if you lose the match. I DO, however, recommend that you save your copy in case the other team loses theirs - that way, I can still get yours and update the statistics. Oh, and... **CHECK THE OTHER TEAM'S SHEET FOR ACCURACY!!!**

DOUBLE-CHECK PLAYER NAMES

Please double-check the spelling of the name of each player on your team in the lists on page 10. If anybody's name needs to be corrected, shoot me an email or leave a message on the VoiceMail.

CELL PHONE COURTESY

Cell phones are part of today's society, we all know that. But there are still times when cell phone calls are still sort of taboo. And one of those times is when you're at the line. Taking a call in the middle of the game and holding everybody up for 4 or 5 minutes is not only rude, it also violates some of the time limit rules imposed by many leagues (including the ADO, and by extension of that, the RDL). If you HAVE to be available for an important call, set your phone to vibrate instead of ring during the match. And if it DOES ring(vibrate) while you are actually playing your game, let your VoiceMail get the message and you can call them back in five minutes when you are finished. You'll still get your call in, and you'll also have everybody around you in a happy mood and not mad at your behavior. Thanks.

NOTE ON EMAILED TONS SIGNUPS

If you would like the Tons emailed to you, it's pretty simple. Just email me directly (see page 4) and let me know that you want to be added to the list. I do ask, however, that you also tell me who you are when you email me (as email addresses often are pretty anonymous). I use Yahoo address books, and they are sort of based on last names, and I have far too many people to put on one address book. Having both names helps me track who is in which address book so that I can add and delete people easily when they request it. Thanks. JK

EXTRA NOTE ON EMAILED TONS SIGNUPS

If you are already on the mailing list, there is no need to sign up for the Tons again. And again. And again...

Also, if your address bounces my email three weeks in a row, I will indeed remove you from the list. Just for list maintenance...

CAPTAINS PLEASE READ THIS

What follows here is a list of very important reminders for all of you. I have provided the greatly shortened versions of each of these reminders, so that you can read the entire list quickly.

1. Indicate who the 'blocker' players are. Simply writing 'blocker' is not sufficient. And you may NOT pick the same player to fill both blocker slots in any one section a team is short by two players.
2. Indicate which players of both teams took part in 1001 games on the front of the scoresheet. This is now MANDATORY, and allows us to check for ineligible players, record statistics, etc.
3. Don't forget to make extra copies of your scoresheet blanks.
4. Save a copy of each of your completed scoresheets.
5. The guidelines for Hot Darts call-ins are on page 4 of every issue of the Tons of Newsletter.
6. While the scoresheet no longer has the bar ratings scoreboard, it does still have a box for comments. Those comments are indeed passed on to the Board every few weeks, so by all means point out things that you think need to be changed.
7. If you know beforehand that your team will be forfeiting, be a nice guy and call the other team and host establishment in advance.
8. NEVER play a player that has not received the approval of both Membership Director Heather Bohanan and Treasurer Matt Huff. This includes notifying BOTH of them even if you are simply adding a player into a player slot for which you have already paid.
9. If a player didn't play in any of the four primary sections of the match, that player is ineligible to play in 1001.
10. The VoiceMail system is a remote system at a business. It is NOT in my house. Feel free to call it any time of day or night. And remember, it time-stamps, so I know when you call.
11. Buying a \$1.15 certificate of mailing slip if you use the postal service to send me your scoresheet could prove very useful if your scoresheet ever gets lost in the mail. Do NOT send your scoresheet by certified mail - I do NOT want to have to go continually to the post office to sign for your scoresheets.

SCORESHEET FAX / EMAIL OPTIONS AVAILABLE

Want to fax me your scoresheet instead of mailing it? Great! Just use the fax number listed on page 4. It is listed in every issue of the Tons so you don't have to memorize it. And for years now, it *has been included on the back of the scoresheet so that you just can't lose it.* And now, the number is even a local call! Thus, for most of you, faxing will be much cheaper than a stamp for mailing.

[Note: if you would like an email confirmation/receipt of your fax, either write your email address next to your signature on the sheet back or simply email me a note saying that you faxed me. Since a few sheets have messed up over the years, I STRONGLY recommend that you send me the message for email confirmation. That way, I can tell you that I did or did not receive your sheet, and you would still have time to send it via the postal service if necessary.]

Prefer to take your sheet home to your scanner and email it to me? That's great too (just so long as your scanner isn't too crappy and it doesn't make files that are 100 MB or some silly size). This method also makes email confirmation pretty easy...

PHONE/FAX PAIRING DEADLINE INTERPRETATION

If you fax and/or email your scoresheet before 11:59 p.m. Thursday, then you are NOT required to call the results in to the VoiceMail. Please note that this is different than in several recent seasons - previously, you had to fax or email your sheet to me on Thursday AND you had to receive confirmation of receipt from me on that same day to avoid call-in requirements. It is still highly recommended that you email me or at least watch for receipt confirmation from me, because if your fax or email failed, your call-in is then still required.

SPRING 2012 RDL SCHEDULES FOR ALL DIVISIONS

The schedules for all divisions, on this page and the next, were provided by Membership Director Heather Bohanan. Also included on page 9 are the contact numbers for all the captains and their bars. That way, any of you who need to contact a captain of another team for whatever reason (rescheduling, fun matches, emergency changes in home establishments, etc.) will know who to call and how.

SPRING 2012 RDL SCHEDULES FOR ALL DIVISIONS (continued)

The schedules for all divisions, on this page and the previous, were provided by Membership Director Heather Bohanan. Also included on page 9 are the contact numbers for all the captains and their bars. That way, any of you who need to contact a captain of another team for whatever reason (rescheduling, fun matches, emergency changes in home establishments, etc.) will know who to call and how.

CURRENT ROSTERS FOR ALL DIVISIONS - THROUGH WEDNESDAY, JANUARY 25TH

I think it's a pretty good idea to include this page every now and then - if you don't receive the email version of the newsletter, you might never know who else is in the RDL (since each team receives only one division's statistics page). Plus, we have only one week of statistics at this point, so the individual numbers aren't too meaningful yet. So, here are all of us, and I'll start up the team/dividual statistics next week. [Note: there are now so many teams in so many divisions that I HAVE to turn the rosters sideways to fit them on this page at any sort of legible size.]
