## BANQUET HOSTING REQUEST TO ESTABLISHMENTS

At the end of each season, RDL has an awards banquet to recognize player and team accomplishments. We are soliciting bids for the Spring 2010 banquet, which will be held on Saturday, May 22nd, from 11am until the Blind Draw is concluded (usually around 6 pm). Bars are no longer required to close their doors to regular patrons; however, if there will be non-RDL persons there, it is the responsibility of the host establishment to ensure sufficient room for RDL members/guests, and that food paid for by RDL is reserved for RDL. Below is a list of minimum requirements.

If you have an interest in submitting a bid, or receiving further information, please contact

**Vice President J.P. Evans at 919-423-4879 or [jpevans@engineous.com](mailto:jpevans@engineous.com)** for more information or to submit a bid.

In order for your proposal to be considered, you will need to provide for the following: ➤ Facility should be available for set up by 9:30 a.m. the morning of the 22nd. ➤ Bar should open by 11:00 a.m., food served approximately at 12 noon. ➤ Menu requirements: buffet style meal – the particulars of the menu are up to the establishment, however it should be more extensive than subs and appetizers.

➤ Plan to feed 150 people. ➤ Complimentary non-alcoholic beverages, soft drinks, tea, etc. ➤ Some type of beer special would be greatly appreciated. ➤ Seating for 80+ ➤ Space to accommodate a total of 12 dart boards for the Luck of the Draw. (If your establishment already has boards, they will count toward the total of 12.) ➤ PA system. ➤ Adequate staff. ➤ Adequate parking that is close by, free, and not time-limited (ex., 2 hr. zones). ➤ Bid proposal must be for the total to be charged, incl. menu items, taxes, gratuity, & any other charges.

**Bids are due by Friday, April 23rd, to J.P. Evans.** Usually, the RDL board will meet that following Monday (Apr. 26th) to review bids.

In order to be considered *all bids must include a name and number where someone who can speak for your establishment can be reached that evening (Apr. 26th) between 7:00 and 8:30 in case there are questions*. It does not have to be the owner, but if it is not, this person should be able to make adjustments to the bid if requested and the establishment should honor any agreement reached with this individual.

Bids without this information will not be considered. Thank you again for your time and interest, and we look forward to hearing from you soon.

### ROSTERS ARE FINAL NOW

Please note that the fifth week Board/captains' meeting date has come and gone, so the rosters on page 10 are now final (barring some pretty extraordinary circumstances). Thus, if you are a scoresheet pre-printer, you can probably feel pretty safe in printing up the rest of your sheets for this season.

### EXTRA NOTE ON PLAYER NUMBERS

This finalization of player numbers means the numbers on page 10 this week (which will likely be the same for the rest of the season) represent the order in which your players should be listed in the all-star point listings on the scoresheet back. This is probably the one thing you can do to make my life easier each week (aside from writing legibly and indicating your blocker players).

### RDL TRIVIA

Last week's question: (The last RDL Board question for a while...) *How many seasons since 1995 has the RDL Board simply operated for a season without an officer in one or more of the offices?*

The answers: 4 times in the last 31 seasons, the RDL operated for an entire season with a vacancy in one of the seven Board positions (there were seven offices until 2009, when the External Organizations office was dropped). There have also been a handful of times when an office was vacant for a portion of a season, but the full-season vacancies were: Spring 1998 and Fall 1998 with no Membership Director (yes, an entire year straight!), Fall 2000 with no External Organizations Officer (no, I don't think anyone actually noticed), and Fall 2005 with no President (that's right, I said "no President" - Eek!).

This week's question: **I've been writing the Tons for a while now. Including this issue, how many issues of the Tons of Newsletter have I written?**

### CORRECTION TO MURPHY'S PUB NOTE

Turns out it's not "behind the Burger King." Rather, it's "behind the Jiffy Lube." Not sure where that confusion originated. Sorry...

### RDL HEADLINES

### A FAVOR FROM YOU OLDER PAPER COLLECTORS

Does anybody out there have banquet newsletters from the 1995 Spring and Fall seasons? I would love to get a copy or a scan. If you have those and wouldn't mind loaning them to me, I would love to snag a copy. Help me out?

**"HOT DARTS" CALL-IN GUIDELINES**

Here are the guidelines you should use for the minimum number of all-star points to report when calling in your scores.

"A" Div. = 4.5 or more ASPs; "B" Div. = 4.0+ ASPs;

"C", "D" Divisions = 3.5 or more ASPs

"E", "F", "G", "H" Divisions = 3.0 or more ASPs

"I" Division = 2.5 or more ASPs

Also, call in any fast games, high ins, high outs, or other amazing feats that you think warrant a little recognition (e.g., Ins &amp; Outs higher than a Ton, 24-dart cricket games, 15-dart 301s, 24-dart 501s, Ton-70s and up, 5-Bulls+, etc.).

*Extra note: it's also ok to call in "fast games" in each set, even if they don't necessarily meet the maximum dart counts above.***SEASON-LONG TROPHY DART  
MINIMUM GAMES PLAYED REQUIREMENTS**

To be eligible for all-star point ave. &amp; singles win %-age awards, you must play at least 66% of this season's projected games:

*for Divisions B, C, D, E (except E1), & F (8 teams / division):***Singles win %-age: min. of 19 Singles Games Played****All-star pt. Average: min. of 37 Total Games Played***for team E1 (due to 1 forfeit received): 18 singles, 35 total**for Divisions A, G, H, & I (7 teams / division):***Singles win %-age: min. of 16 Singles Games Played****All-star pt. ### PREDICTIONS FOR THE WEEK

A 19-12 result last week (the 32nd match of the week was dropped due to forfeit) was sort of so-so. It moved me to 137-54 for the season (71.7% correct pick rate) which isn't so bad. But the best part of last week? I predicted TWO tiebreakers leaguewide, and... got BOTH exactly right!! Not 2 out of 5, or 2 out of 3... 2 out of 2!!! Yeah, baby! That rocks...

**Match of the week:** (E Div.) Like To Party @ Damnifino. The top of E has evolved into a four-way tie at 4-2, and these two have the highest point totals. Damnifino has only surpassed 13 points so far, so despite my new lack of faith in the Party, I'm going to have to go with them, 13-11.

**Match #2:** (C Div.) The Locals @ Dogs of War. The C race is nearly as tight as that in E, so matches between the 4-2 teams are huge. The Dogs' 3-match win streak has pulled them from the basement to the lead pack, but I just have a hunch that The Locals might put it together a bit. 13-11.

**Match #3:** (F Div.) Ale-ing Archers @ Designated Divers. The Archers' big win last week has put them one match ahead of a pack of pursuers. Another win here pushes one of those pursuers further back. AA, 15-9.

**Match #4:** (I Div.) Backyard Bistro @ Mug Hunters. The Bistro has a candidate for the division's best player in Munroe, but the Hunters are making a case for being the division's best team. Team > player, 14-10.

**Match #5:** (G Div.) Salute-A-Bulls @ Projectile Dysfunction. Sure, PD is only 3-2. But when the leaders are only 4-1, that's right in the title hunt. Here's their chance to take down a leader, right? Not this week. 15-9.

**Match #6:** (A Div.) Appetite for Destruction @ Lunatic Fringe. One good win by Appetite and a low-scoring loss by Fringe... and now it's Appetite fighting to hold down the #2 A spot. Nice! Alas, Fringe, 14-10.

**Match #7:** (H Div.) Sharkshooters @ Grateful Darts. The Tossers

have the match lead, but they haven't opened much of a point gap. That means a hot run by a pursuer could reel them in. GD, 13-11.

**Match #8:** (E Div.) Is it in? @ Coral Reefers. There's a logjam just ahead of Is it in?, and the only way through is to basically take out all the logs. Unfortunately, the first log is Reefer-sized. CR, 14-10.

**Match #9:** (F Div.) Better At Pool @ Menace 2 Sobriety. Fresh off a huge win, the Pool party has got to feel like they're on the right track again. I'm not entirely sure I'm convinced though. 13-11, M2S.

**Match #10:** (D Div.) Money Shot @ Helter Skelter. I suspect that both these teams are legitimately surprised to be fighting to avoid a drop to E next season. Way tough call... Helter? 13-11 maybe?

**Match #11:** (E Div.) BFD @ Sammy's Tap & Grill. All of E is very close, and that includes the battle to avoid a 'bottom-two' spot. Sammy's generally looks pretty decent... if they show up. 14-10.

**And the remaining 21 matches, sorted by division:**

A Division: Elemental 14, Drunksten 10; Daddy 17, Constantly 7.

B Division: BB 15, See Ya 9; Rif Raf 13, 2Nutz4U 11; Pheasant Pluckers 15, Nine Lives 9; Overtime 16, Pounding 8.

C Division: H1 Pigs Zero 14, Excalibur 10; Put A Cork In It! 15, Bennington Brawlers 9; Jack Nine 18, Hibernian Hooligans 6.

D Division: Bulls Eye Blind 14, Pit Crew 10; Imports/Domestics 14, Starving Dartists 10; Traveling Beer Bellies 14, Hammered 10.

E Division: Dive Bombers 13, Board 2 Death 11.

F Division: DeCoys 13, Death Throw 11; Leftovers 17, Beaches 7.

G Division: Wednesday 14, Bricks 10; Big Bulls 16, Nice Dittles 8.

H Division: Seeing Double 13, Darted? 11; Ton Up 16, Boondock 8.

I Division: Bandits 15, He Hate Us 9; Y'All Ain't 14, O2B#1 10.

## 2010 SCHEDULE NOTES

**Note #1:** As I'm sure many of you have noticed, this season's schedule is somewhat less-than-traditional in some ways. Rest assured that the odd elements (Raleigh & Cary playing each other twice, some dates when the NCCDL and NCLC matches don't match, and some dates when the NCCDL/NCLC teams both play but in opposite cities) are all intentional. These oddities were necessitated by the following facts: the captains voted to have the two teams that would have had an interdivision bye play each other again in the opposite location instead; the NCCDL and NCLC both have uneven team numbers in the divisions AND in opposite directions (NCCDL is east-heavy, NCLC is west-heavy). The only way to balance the schedules properly in both leagues was to add the oddities noted.

**Note #2:** For those who are curious as to why the interdivision pairings chosen were the ones chosen, they were selected in the following fashion: the 7 interdivision pairings that had not been played during the regular season in more than 2 years (or ever...) (Piedmont/Durham, Chapel Hill/Durham, Piedmont/Fuquay-Varina, Jacksonville/Pineville, Asheville/Wilmington, Charlotte/Wilmington, and Chapel Hill/Port City) were selected first; then the remaining 5 matches were selected with an eye toward travel balance and whether pairs had not been played for at least a year. After that, we just did the best we could...
